

# CALICUT UNIVERSITY TEACHER EDUCATION CENTRE, ARANATTUKARA, THRISSUR

## FACILITIES AND INFRASTRUCTURE

### ICT LAB

The centre has a good ict lab with sufficient number of laptops and desk top computers. It provides internet access through high speed Broad Band connectivity. Students are divided into small groups based on their optional subjects and each student gets sufficient time to use the computer.

### LANGUAGE LAB

The centre has a modern digital language laboratory with audio equipments to help in imparting the language skills. The basic objective of the language lab is to enhance the communication skills of the students by giving sufficient practice through interactive activities. The language lab is made use of for training the students in the art of discussion and conversation. Besides they can record their own voice with the help of a microphone and headphone while speaking English and listen to it later to see the results.

### SCIENCE LAB

The centre is facilitated by a well organized Science Laboratory for demonstrating and doing experiments.. It provides first-hand experience of conducting investigations. The science lab is equipped with the wide range of equipments, chemicals, electronic gadgets, microscopes charts and models, specimens, permanent slides and other improvised learning aids.

### PSYCHOLOGY LAB

The student teachers are furnished with practical sessions to acquaint with various psychological tools and provided sufficient training to equip them with practical skills in their administration, scoring and interpretation. The instructional facilities for Psychology Lab

- Intelligence Tests
- Aptitude Tests
- Creativity Tests
- Personality Scales
- Attitude Tests
- Interest Inventories
- Normal Probability Curve Demonstration Apparatus with manual

No.	PARAMETER	AVAILABLE
